From the Table view, you may search All Behavior Codes or filter by specific behaviors. You may search for All Users or filter by specific user. It will automatically default to today's date, or you may search for a broader date range.

The Daily Activity Report can also be exported as a CSV or PDF for printing purposes.

The Graph view allows you to easily compare behaviors for a date range to identify school-wide trends. Use this graph to identify areas for celebration, as well as opportunities for improvement.
