

## The My Activity Report

The My Activity Report provides a list of only the students YOU have tracked in Hero, and the total number of behaviors and points YOU have issued for each student over a period of time. Great to identify students for positive recognition or opportunities to increase engagement.

Feedback

You can search all grades, or filter by specific grade. It will automatically default to today's date, or you may search for a broader date range, including point totals for year-to-date.

The My Activity Report can also be exported as a CSV or PDF for printing purposes.
