**Use One of 3 Easy Ways to Connect! Click the Links for Instructions!**

**1**

If your district imports **STUDENT EMAIL** into Hero, use:  
[QR Codes](#)

**2**

If your district imports **STUDENT DATE OF BIRTH** into Hero, use:  
[Simple Authentication](#)

**3**

If your district does NOT provide **DATE OF BIRTH** or **STUDENT EMAIL**, use:  
[Unique Key](#)

**Download for [ANDROID](#) or [APPLE](#) devices today! Search "Hero by Schoolmint".**

**NEW!** Hero has rolled out a new app for students as of August 2020. Students can download the new app by searching "Hero by Schoolmint" in their app store. Students who have previously created an account and used the old app, can log in to the new app with their existing credentials. It is recommended that all students are using the new app by the end of the school year.

*Download the Android App*

*Download the iOS App*
